1	4H Junior Dog
2	4H Intermediate Dog
3	4H Senior Dog

## **DOG OBEDIENCE (Division 4.2)**

~ A 4H member may compete in only one obedience class per dog with a total maximum of 2 entries (dogs). The first dog is referred to as "A" dog. The second is referred to as "B" dog for class entries.

~ The first-year class is for members who are in their first year of the dog project, not the first year beginner novice with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first-year class only once.

~ An exhibitor who competes in the A group with their 1st dog stays in the A group with that dog for each level. Members advance, from On Leash A to Novice A or from On Leash B to Novice B. The same is true for the B groups and levels.

~ A 4H handler with a dog shown previously in obedience classes by another 4H handler or Obedience Title must show the dog by these guidelines.

- a. Junior/Intermediate 4H'ers may move back or down one level.
- b. Senior 4H'ers must show the dog at the highest level it has achieved.

~ A dog receiving a qualifying score of at least 170 points at county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.

~ Score Sheets: The Wyoming 4H dog score sheets were designed for the benefit of 4H Members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.

~ All exhibitors must enter/leave the show ring and compete with a 6 foot leash.

~ Dogs soiling in the ring will be disqualified.

~ Males and females will be shown in the same class. Females in heat will be shown last and must be kept away from the obedience ring until call time.

~ Open and Utility - Youth handler must provide their own dumbbell.
