

4-H INTERVIEW JUDGING

Saturday, July 29th in the Exhibit Hall

10:00 a.m. - 2:00 p.m.

Interview judging brings the 4-H members and judges together to evaluate project exhibits. It provides a unique opportunity for 4-H exhibitors to learn from the experiences and knowledge of the evaluator, as well as receive positive one-on-one feedback on the progress made during the year. The exhibitor and the judge should talk directly to each other to share information and evaluate the project.

General Information and Rules

- Tags may be picked up at the information table by the Fair Office, if not picked up prior to the fair.
- Interview Check-in will be with the clerks at the schedule table in the back of the Exhibit Hall. Members should check-in upon arrival so the clerks know they are available for judging.
- Members will be called to meet with a judge as soon as one is ready for each exhibit. Members will meet with a different judge for most projects and may have several different meetings. All exhibits will be judged as quickly as possible.
- As members finish with each judge, they will return to the waiting area outside the Exhibit Hall.
- **Only one adult** may accompany the member to the judging station, if the member chooses. They must remain quietly by the member until the interview is over. If there is a question or clarification needed, adults may speak briefly to the judge at the conclusion of the interview.
- Any adult the superintendents feel are interfering in the interview process or attempting to influence placing will be asked to leave and will not be permitted in the future.
- If young family members come to the judging, please make arrangements for babysitting outside the hall, they will not be allowed inside.

Interview judging between the member and judge is a valuable learning experience. The Fair Board, Extension staff and superintendents will do everything possible to keep the atmosphere quiet and conducive to further learning.
